REQUEST FOR CERTIFICATE OF CORRECTION

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

The following is a request for a Certificate of Correction in U.S. Serial Number 09/720,262, now U.S. Patent Number 6,777,117.

A Certificate of Correction under 35 U.S.C. §254 and 35 U.S.C. §255 is respectfully requested in the above-identified patent.

Some of the errors are the fault of the U.S. Patent and Trademark Office, however, some are ascribable to Patentee(s), and accordingly, a check for \$100.00 is submitted to cover those, 35 U.S.C. §255 and 37 C.F.R. §1.323. The errors ascribable to Patentee(s) are minor and their correction would not entail re-examination or constitute new matter. They are all readily apparent from the context of the specification.

Notably, the references listed by the Examiner on Form 892, dated July 30, 2003, a copy of which is attached herewith, were not listed as references on the front of the patent.

Further, minor typographical occurred in the references cited in the Form PTO 1449 filed August 15, 2002. The file of the Patent Office, as accessible through the PAIR system shows that the correct references were received by the Examiner. Accordingly, correction of
